MLR *Update*

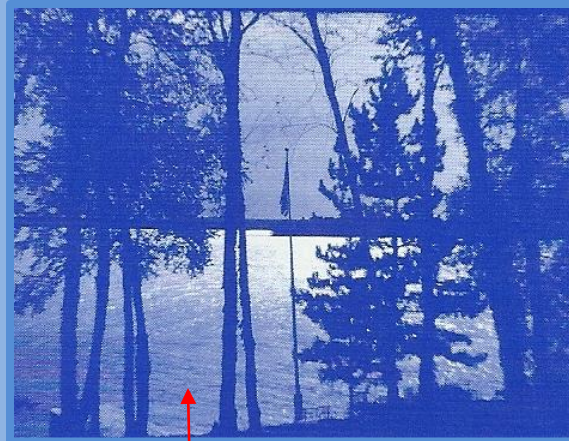

Minnesota Lakes and Rivers Advocates

MN Lakes & Rivers Advocates protects Minnesota's lake heritage now and for future generations with creative and organized leadership and communications forging powerful links between lakes, lake advocates, and policy makers.

MLR are Minnesota's lakes leaders and lakes are all we do.

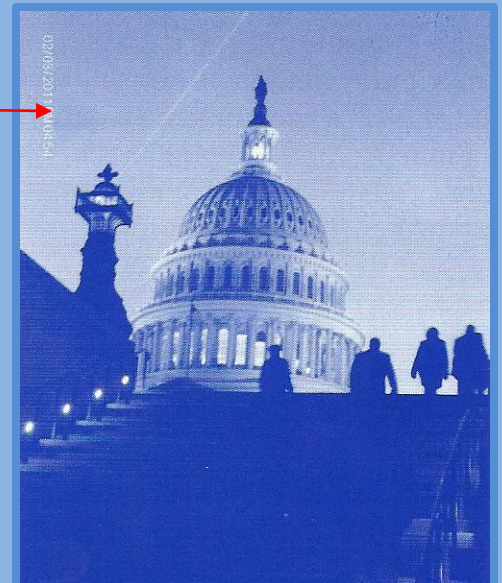

We...

- ✎ Work to reform lakeshore property taxes to protect lakeshore from overdevelopment and to keep the lake legacy affordable for future generations.
- ✎ Lead in efforts to fund and implement a comprehensive statewide plan to halt the spread of Aquatic Invasive Species.
- ✎ Strive to protect surface Water Quality in Minnesota with information and policy priorities.
- ✎ Work with policy makers to advocate Aquatic Habitat measures, and work with Lake Association members to implement aquatic plant management.
- ✎ Lead in advocating for strong Shoreline and Forestland Stewardship incentives.
- ✎ Offer Legacy Seminars to help ensure the treasured family heritage of time at the lake or in the woods with family can continue for generations to come.

Protecting This

Requires Work Here

Jeff Forester, MLR Executive Director, spoke at the 2013 BLIA Annual Meeting.
